KIDNAP VICTIM

Brianna Zunino DENISON
19 years old

5'00", 98 lbs., long dark brown hair, blue eyes, nose pierced on right side, scar on left knee. Brianna was last seen wearing a white tank top with pink angel wings, rhinestones & "Bindi" on the back and pink sweat pants.

On January 20, 2008 Brianna disappeared from 1395 Mackay Court in Reno, Nevada. The Reno Police Department has confirmed that the suspect responsible for a sexual assault and kidnapping that occurred on December 16, 2007 in the 1400 block of Terrace Drive (backside of North Virginia Street) is responsible for Brianna's disappearance. The Reno Police Department is seeking the community's assistance in identifying anyone with the following or similar characteristics and/or a vehicle possibly with the following notables:

- **EXTENDED CAB PICK UP TRUCK OR SUV**
- with a forward mount dome light near the windshield, floor-mounted console that was described as "fairly skinny" that opens in front towards the rear of the vehicle, a stereo with blue and red LED lights, cloth seats, and an automatic transmission.
- A baby shoe was observed on the front seat floor board. An 8 ½" x 11" white pieces of paper with typing on the floor board of the front seat.
- **SUSPECT DESCRIPTION**
- White male, approximately 28 - 40 years old, taller than 5'6" but not excessively so, a belly that was described as not excessively large and firm but not flabby, an "innie" belly button, shaved pubic region, a light covering of hair on his arms, and facial hair about a quarter to a half an inch long below his chin which was soft.

It is important to know that because the DNA that has been collected is valid and conclusive, any person that is brought to our attention can be easily, definitively, and unobtrusively be eliminated or identified as a suspect. Additionally because of the scientific evidence, the source of the information is not required to further the investigation.

Information can discreetly be provided via telephone to the Reno Police Department tip line @ 775-745-3521
